

Madison PTO Registration Guide

Dear Madison Families,

PTO registration for the school year will be done with one simple and easy to use form on our website. <http://www.madisonpto.org/pto-registration/>.

Why do I need to register with the PTO?

The Madison PTO serves the entire school community and supports programs and events that benefit all students. The dues you pay are combined with the other families' to provide programs, events and supplies to enhance the educational experience for all children. A few examples of these include Season of Science and the Science Fair, Visiting Author, Children's Opera, High Interest Day, Variety Show, Wheel of Wisdom, supplies and refreshments for classroom parties, in-school subscriptions for all children, musical instruments in our music classroom, and gym equipment.

What's on the form?

Family Information

We ask you to provide some basic information so that we can manage our records.

PTO Dues & Fees

Annual Dues (\$30.00 per family)

In addition to supporting the educational experience of your child, your PTO membership also includes one FREE printed directory and FREE access to the online directory.

You may purchase additional printed directories for \$8.00 each. The directories will be given to your oldest child.

Payment

Online payment is easy via Pay Pal, or in person you may present a credit card to one of our PTO Volunteers.

School Supplies, Yearbooks and Volunteer Signups

Please note that orders for yearbooks and school supplies will be done separately from this registration process.

Signups for volunteer opportunities will be coming out in the Spring. In the meantime, please read about the PTO committees and start thinking about where you would like to share your time and talents.
