

The Michael and Linda Program
Wednesday May 29th, 2019
4th Grade Girls and 5th Grade Boys
(including 5th grade girls new to Madison this year)

The Michael and Linda program will be offered on Wednesday May 29th, 2019 at 7pm at Madison School. Please arrive 10 minutes prior to start time. The program will run approximately 90 minutes.

4th grade girls program will take place in the gym/MPR so please enter via the gym doors on Madison street.

5th grade boys program will take place in the library/MRC please enter via the office doors on Sixth street.

This program will discuss the emotional and physical changes that preteens experience. We strongly recommend that children attend with a parent of the same gender. (Boys come with fathers, girls with mothers) If this is not possible, you may send your child with a friend and his/her parent or a family member of the same gender. More information regarding the program can be located online at www.robertcrown.org. Look under the heading "Education" and choose Grades 4 or 5 from the "Find Program by Grade Level Section". Both the MICHAEL and LINDA programs are described.

The Madison PTO generously pays for this program. If you have any questions please email Beth Folkmann at healthandsafety@madisonpto.org
