

December Sing - December 19, 2019

After lots of hard work, the Madison students are quite excited to present our 2019 December Sing!

The performances will be in three sets.

1-1:15: Kindergarten and First Grade
1:20-1:35: Second and Third Grade
1:40-1:55: Fourth and Fifth Grade

Please note: Morning Kindergarten students are asked to return at 12:40 through the front office. Both classes will assemble in the MRC and *must* leave jackets with parents. Meet your students directly across from the gym in the **music room immediately following their performance to sign out, even if you are returning to watch another portion of the show! **

We will be performing a variety of songs in various styles of the season, including several holiday songs, songs about snow and winter! All of the songs will be secular in nature as in following the Madison School December Sing tradition, we always do our very best to be respectful of all families' faith choices.

A few reminders...

Our students are very excited to perform for you, and are aware that parents love to capture special performances with many photos. For the safety of our performers and considerations being made to keep the performance on schedule, we request that you:

- Enter through the gym doors or west school entrance. If you plan to stay only for your child's portion of the performance, please depart promptly to make space for other parents.
- Consult the map on the next page to find the best location to sit so you will be able to see your student(s)
- Limit your pre-performance photos to 2 or 3 that can be taken quickly. Once the performance begins, remain seated, and take as many photos from your seat as you would like!
- Follow the directional signs that will be posted about audience entrance and exit locations, and be mindful of refraining from speaking with students as they make their way to and from the performance area
- Stay outside of the student entrance/exit, as well as the performance area that will be marked clearly with cones

The Madison students, Madison staff and I all thank you for your cooperation to make this festive performance the very best it can be. We cannot wait to share an afternoon of musical fun with you and your family!

Sincerely,

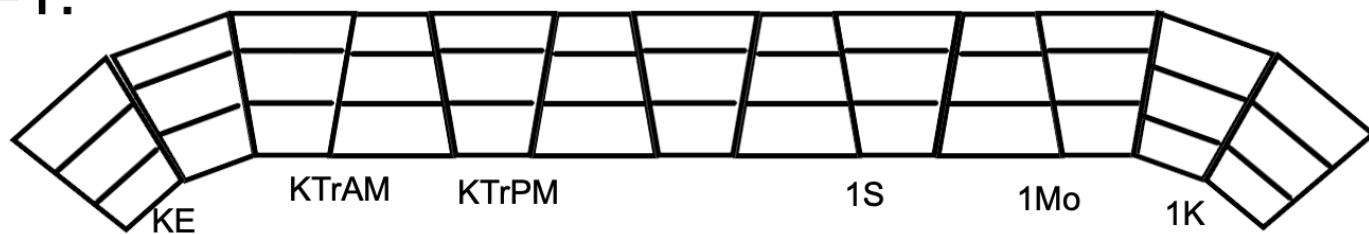

Miss Erica Skibbie
K-5 General Music Teacher

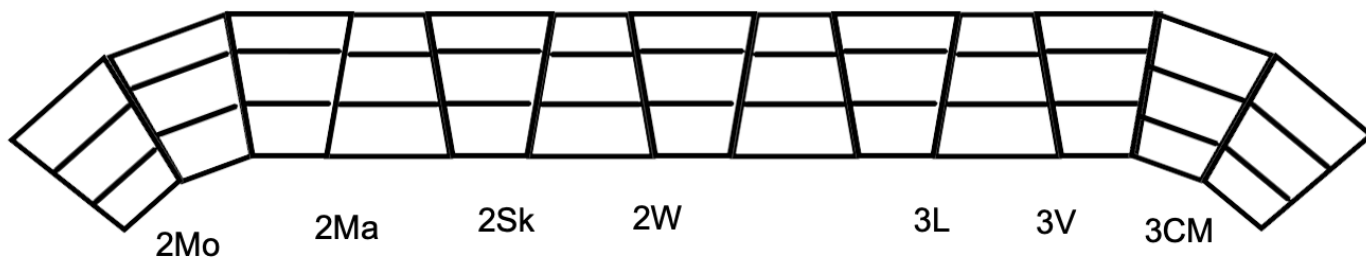

** Encourage your child to prepare for the performance and find pictures and video/sound clips after the show on my website!
